Round 4
Solmar Golf Links

Saturday | 8:10 AM

1v1 Match Play (net)

8 points available

Total: **20 points available** | First team to **10.5 points wins**

Tournament Rules

1

Team Selection

A coin flip will be used to determine which captain receives the first pick. Captains will alternate picks (not snake) from then on.

2

Matchups

Captain A announces his player(s), and captain B throws out who he wants to compete against them, and then vice versa down the list of matchups. The picking order will be determined by a coin flip.

3

Matchup Timing

Matchups are set the night before with the exception of dunes which will be set following the conclusion of the final pairing on the par 3 course

4

Tiebreaker

In the event of a 10-10 tie, 3 members from each team will replay one hole at Solmar, alt-shot with the lowest gross score winning the tournament. The captains will pick one of their teammates and the other captain will pick the third member. Order of hitting will be up to captain's discretion. As a backup option in the event alt-shot is not possible, total team strokes (net) at Solmar #1 handicap (Hole #2) will be added up with the lower total winning the tournament.

5

Handicaps

Handicaps are non-negotiable. Do not ask for more strokes. Strokes are based on the following slide. We will not be adjusting them course over course.

Playing Rules

1

Penalty Areas

Take lateral relief by dropping within two club-lengths of where the ball crossed the edge of the penalty area, no nearer to the hole. This isn't the PGA Tour - you are hitting 3 (one-stroke penalty).

2

Maximum Score

The max score on any hole will be a Net Quad Bogey.

3

Integrity

Play with integrity, when in doubt ask your opponent.

4

Relief

Only playing it up in the fairways, everything else is to be played as it lies.
